ABOUT US

The Transported Asset Protection Association (TAPA) was formed 23 years ago by leading global Manufacturers & Logistics Service Providers to make their supply chains more resilient.

Today, TAPA is the world's leading Security Expert Network for everyone in the supply chain ... and we invite you to join our family.

Joining our Association will give you access to supply chain resilience insight, trends and tools as well as industry-leading security standards, training and unique networking opportunities with like-minded supply chain professionals.

With today's unprecedented focus on supply chain resilience, TAPA's presence in the Europe, Middle East & Africa (EMEA) region is greater than at any time in our history ... and we are growing at a record pace. I kindly ask you to spend a moment reading this invitation to find out more about us.

I would also welcome a conversation with you to answer any further questions you may have. You can reach me at Thorsten.Neumann@tapaemea.org

I hope we will be speaking soon.
